Color Temperature: 2700~6500K

Color Rendering Index: Ra≥75

Operation Temperature: -30℃~50℃

LED Lifespan>50000h

Material : Alu+PC

Lamp shell color:Aluminum oxide

Remark*

Package: Wrapped in small individual carton box,then in a large carton box.**Delivery Time (Lead** It will cost 30 days for the production in our factory on receiving the down-payment.**Payment:** Generally,30% of contract value should be prepaid by T/T when placing order.
